

SnoozeCon's Second Chapter

 SUNDAY, JUNE 29, 2025

“

**The Surgeon's Approach –
Mastering OSA Surgeries,
Step by Step**

 **AL-AZHAR DENTAL COLLEGE & HOSPITAL**
THODUPUZHA, KERALA

“ Dear Friends and Colleagues,

It gives us immense pleasure to welcome you to the Second Chapter of SnoozeCon, set to take place on 29th June 2025. After the overwhelming success of our first chapter, we are excited to present an exclusive surgical edition focused on “**How I Do It?**” – Mastering Surgical Techniques in OSA.

This year, SnoozeCon takes a bold step forward with step-by-step surgical demonstrations by leading experts in nasal, palatal, tongue base, skeletal, and pediatric OSA surgeries. The sessions along with master classes are designed to provide practical insights into decision-making, execution, and refinement of surgical approaches, ensuring that attendees gain valuable skills to enhance their practice.

Held at Al-Azhar Dental College, Thodupuzha, this event marks a significant step toward bridging the knowledge gap in sleep apnea surgery, making advanced surgical education accessible to ENT surgeons, dental professionals, and pulmonologists from across the region.

This program organized by Department of ENT, Al Azhar Medical College in association with Excell ENT Clinic Muvattupuzha, is endorsed by the Indian Association of Surgeons for Sleep Apnoea (IASSA), United Medical Mission (UMM) and Association of Otolaryngologists of India (AOI) Malanad & Cochin Chapters.

We look forward to welcoming you to a day of learning, collaboration, and skill enhancement, as we take another step toward advancing OSA surgery for better patient care.

See you at SnoozeCon 2025!

Warm regards,
SnoozeCon 2025 Organizing Team
